Welcome to BreyerFest®

It's time to pop the cork and make a toast to **25 incredible years of BreyerFest®**, hosted by Breyer Animal Creations®, maker of the world's finest model horses! Whether this is your first time at BreyerFest or you have been here since the beginning, we want to welcome you to the biggest party of the year. BreyerFest is the place to be with people who love horses and model horses just as much as you do, meet the horses that inspire our models and to learn more about the model horse hobby!

If you are a newcomer, check out the **First Timer's Guide** to BreyerFest (pg 3)! Take a look at the schedule and make a plan so you can attend all the amazing activities offered by Breyer!

Please keep the following guidelines in mind to make sure everyone has a safe and fun weekend:

General Event Guidelines:

- **The Help Desk is located near our giant inflatable horse, Fluffy!** These friendly folks know everything about BreyerFest and are happy to answer questions. This is also the Lost and Found area.

- **Breyer Staff are in berry-colored polo shirts** and have walkie-talkies. Need help? Ask us!

- **Horses have the right of way!** Please be alert to horses moving to and from the Covered Arena and elsewhere on the grounds and use good judgment. Do not walk directly behind horses, run up to them or startle them in any way! Please be sure to review these precautions with your children as well. The barns are accessible and you are welcome to visit the horses and chat with their owners. Always ask if you may pet a horse. Please listen to the horse owners' instructions - they are for your safety.

- **Leave no trace.** Recycle and deposit all your trash in the many receptacles provided.

- **Dogs.** We love them too, but if you are not a Splash Dogs competitor, please leave your furry friend at home! If you must bring your dog, keep them leashed at all times, bring plenty of water for them and bring baggies to "pooper scoop." Do not leave your pets in your car or the Kentucky Horse Park Police will be notified.

- **Temperatures vary widely!** Be prepared and dress appropriately. Good walking shoes are a must. Drink lots of water. Food is available or you can bring your own. Lunch time is the busiest time of the day for food vendors, so plan ahead!

- **Emergency Procedures.** If someone is hurt, or you have lost someone, don't panic! Find a Breyer Staff member immediately. We have EMTs as well as the Kentucky Horse Park Police on the grounds at all times. If you cannot reach a Breyer staff member, call 911.

Breyer reserves the right to make any changes to the program, guests and offerings as necessary.

We're so happy you're here! Best wishes for a great BreyerFest weekend from everyone at Breyer!

2014 Celebration Horse

Carson Kressley presents Gooitzen fan Teakesyl - a champion among champions!

Twelve-year-old Friesian gelding Gooitzen fan Teakesyl has been unstoppable from the moment he entered the show ring. Imported from Holland by Siren Song Stables of Mays Landing, New Jersey, "Gootz" is shown by the Bruggeworth family and Emmy® Award-winning television star, fashion designer, and acclaimed horseman Carson Kressley.

A busy entrepreneur, Carson juggles television shows and personal appearances with designing his fashion line "Love, Carson" (available exclusively on Shop NBC), writing and his dedication to his horses and numerous philanthropic causes. Carson was recently a "fan-favorite" on ABC's world-wide hit, *Dancing with the Stars*. In 2011, Kressley starred in *Carson Nation*, a one-hour un-scripted show which premiered on The Oprah Winfrey Network. Previously, Kressley helmed Lifetime's critically-acclaimed show *How To Look Good Naked* and earned a primetime Emmy for his role on Bravo's breakout hit series *Queer Eye for the Straight Guy*. He has been a frequent style contributor on *The Oprah Winfrey Show* where millions of viewers accessed his expertise, style, and wit. He can also be seen as a style contributor on ABC's *Good Morning America* and *Live With Kelly!*

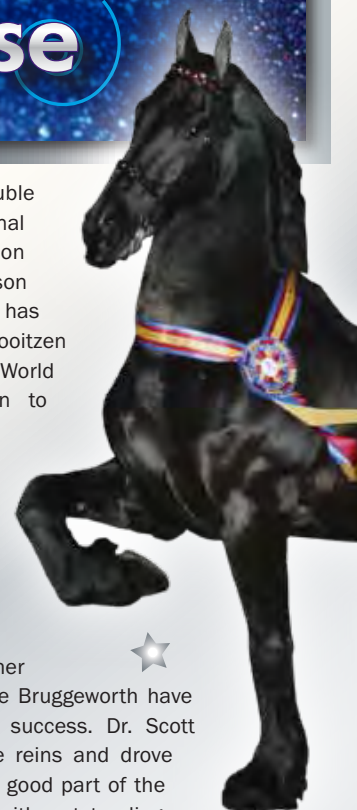

Carson is a New York Times best-selling author with three books to his credit, including *You're Different and That's Super*, a children's book promoting diversity and tolerance. A women's style guide is in the works. When Carson is not starring on stage or screen, he can be found astride one of his American Saddlebred show horses, with which he has achieved World Champion status.

Gooitzen has earned over 130 career wins in less than ten

years of competing, including double victories at the 2013 International Friesian Show Horse Association World Championships with Carson Kressley at the reins. Carson has been the In-Hand Exhibitor of Gooitzen throughout his compilation of 15 World Championship titles. In addition to Carson's numerous titles, each member of the Bruggeworth family has succeeded with this fabulous and versatile horse. Gooitzen is primarily shown by 13-year-old Scotty Brooks Bruggeworth in the Jr. Exhibitor under saddle classes.

Owner Annika Bruggeworth and her 15-year-old daughter Winter Blaise Bruggeworth have also shown Gooitzen with great success. Dr. Scott Bruggeworth took his turn at the reins and drove Gooitzen in Pleasure Driving for a good part of the 2013 and 2012 show seasons with outstanding results.

Each year, only one horse is selected as our special Celebration Horse. Gooitzen's incredible history of success, his talented owners and handlers, and his ability to compete at a high level in a variety of disciplines make us proud to distinguish him as the guest of honor at our 25th anniversary celebration of BreyerFest. You can meet Gooitzen fan Teakesyl, the Bruggeworth family, and Carson Kressley throughout the weekend!

Rare and unique models are put up on the auction block in an exciting live auction. Bid for your chance to take home one of these incredible models created especially for the Live Auction, some of them created by artists Sommer Prosser and Tom Bainbridge during their visit to Breyer headquarters earlier this year. Pick out your favorite on our Facebook page or by stopping by the display in the VIC on Friday for a sneak peak of models. ★

BreyerFest® Beneficiaries

Giving Back

Breyer celebrates horses and animals every single day and BreyerFest is our chance to give back, with your help! A portion of the Saturday and Sunday Benefit Raffles, the Silent Auction and the Live Auction benefit a wide variety of non-profit organizations that support equine and animal welfare, children's charities, therapeutic riding and environmental protection and stewardship causes. Your continued support through donations and contributions to the raffle, Live and Silent Auction purchases over the last 25 years have contributed over \$1,000,000. For our Silver Celebration, let's make it the best year yet!

Over
\$1,000,000
raised thanks
to you!

This year, we are honored to support the following charities as 2014 BreyerFest Beneficiaries:

American Society for the Prevention of Cruelty to Animals (ASPCA)

ASPCA was the first humane society to be established in North America and is, today, one of the largest in the world. ASPCA provides local and national leadership in three key areas: caring for pet parents and pets, providing positive outcomes for at-risk animals and serving victims of animal cruelty. The ASPCA's mission, as stated by Henry Bergh in 1866, is "to provide effective means for the prevention of cruelty to animals throughout the United States."

4H Eastern and Western Round-Ups

4-H is the nation's largest youth development organization. More than 6 million 4-H youth in urban neighborhoods, suburban schoolyards and rural farming communities participate. As the youth development program of the nation's 109 land-grant universities and the Cooperative Extension System, 4-H fosters an innovative, "learn by doing" approach with proven results.

Gentle Carousel Miniature Therapy Horses

When a real horse walks into the hospital room of a sick child it is always a magical experience. Gentle Carousel Miniature Therapy Horses is an all volunteer 501(c)(3) nonprofit charity. The teams of tiny horses visit more than 25,000 adults and children each year inside hospitals, hospice programs, and with children who have experienced traumatic events. From the school children and first responders of Sandy Hook Elementary School, Newtown, CT to the tornado survivors of Moore, OK, child trafficking victims in Washington D.C. and even children living in orphanages in Greece, these tiny horses bring their special love where it is needed most.

THE HUMANE SOCIETY OF THE UNITED STATES

Humane Society of the United States (HSUS)

The HSUS is the nation's largest animal protection organization, rated the most effective by its peers. Since 1954, they've been fighting for the protection of all animals through advocacy, education, and hands-on programs. The HSUS is a mainstream voice for animals, with active programs in companion animals, wildlife and habitat protection, animals in research, and farm animals. They protect all animals through legislation, litigation, investigation, education, science, advocacy, and field work.

Professional Association of Therapeutic Horsemanship International

Professional Association of Therapeutic Horsemanship International (PATH Intl.)

Since 1969, PATH Intl has provided Equine-Assisted Activity and Therapy (EAAT) programs in the U.S.A. and Canada through its network of nearly 800 member centers. Each year, dozens of new centers initiate new programs and more than 42,000 individuals with special needs benefit from activities which include therapeutic riding, hippotherapy, equine facilitated psychotherapy and learning, driving, interactive vaulting and competition.

THE Cloud FOUNDATION
www.thecloudfoundation.org

The Cloud Foundation

A Colorado (501c3) non-profit that is dedicated to the preservation of wild horses on our public lands, and the protection of Cloud's herd in the Arrowhead Mountains of Montana.
